Directorate:	Communities and Local Areas

Our mission

The National Literacy Trust empowers children, young people and adults from disadvantaged communities with the literacy skills they need to succeed. We work directly with young people and their families, with the 5,000 schools in these communities, with nurseries, prisons, YOIs and through our teams leading community literacy programmes in 20 places in the UK facing the biggest literacy and poverty challenges.

Our research makes us the leading authority on literacy and drives all our work. We are committed to becoming a more diverse and inclusive charity, better at listening to and working in partnership with the communities we exist to serve. Literacy is a vital element of action against poverty and our work changes people's life stories.

Purpose of role

This role will be dual function. Firstly, you will oversee the delivery of our Literacy Champions project as part of the development and delivery of our Literacy Hub in Doncaster. A Hub is a place-based response to the challenges of intergenerational low literacy, working with a range of partners to shape and deliver activity as part of a local strategy. Our Doncaster Hub was launched in 2020 and has a focus on Key Stage 2 primary school children and early years, supporting children and their families in priority wards in the town.

Our Literacy Champions project identifies, trains and supports volunteers who work with us to design new and exciting ways to promote literacy in their local area. This may be in person or online and includes everything from community book-swaps and reading corners, to setting up homework clubs and creating videos.

In Doncaster, our volunteers work particularly closely with primary schools and community settings. You will be responsible for working within target communities across the town, and will develop new strategies for recruiting, developing and supporting volunteers, and mobilising key local partnerships to support these. You will create processes and resources that can support the delivery of Literacy Champions and oversee a community consultation that will inform our work across the Hub. You will also help identify, train and support volunteers who want to be Lead Literacy Champions, who help coordinate and support other Literacy Champions.

During the 2026 National Year of Reading, we want to expand this model across the country. You will coordinate this work across the Yorkshire and Humber region, identifying and engaging organisations and volunteer groups, and providing training and support so they can become Literacy Champions. You will also work with first-time volunteers who sign up to support the National Year of Reading and, critically, find and train people to be Lead Literacy Champions, ensuring this work continues beyond 2026.

This is an opportunity to build a new network of volunteers from the ground up. You will work alongside our existing local teams based in your region, and with the support of our central volunteering team, and be part of a network of colleagues doing a similar role in each of the nine English regions. Our aim is to recruit at least 40 Lead Literacy Champions per region, each working with around six Literacy Champions and making a significant contribution to reading.

Finally, alongside delivery of the Literacy Champion programme in Doncaster and the regional National Year of Reading project, you will support the Doncaster Hub Manager more widely in our work raising literacy outcomes in the town.

Key contacts

You will work with colleagues across our communities and local areas team as well as our education and communications teams. This will include working closely with two other officers reporting to the same regional lead. As further funding is secured, we plan to recruit more officers in each region to expand our reach.

External contacts will include volunteers and local community members, community-based organisations, local businesses, early years settings, primary schools, parents and other stakeholders.

Outline of responsibilities

- Identify opportunities to recruit volunteers from our target areas to become Literacy Champions, working to programme targets
- Engage these potential volunteers and organise training events
- Engage a wide range of early years settings, schools, community organisations and local businesses
- Initiate DBS checks and keep accurate records

- Maintain project plans and budgets, and report on these as required
- Organise events and all associated communications
- Provide onsite support with event logistics, book storage and deliveries
- Support the work of the Hub as required

This outline is indicative and is not intended to provide a complete list of duties. The post holder will also be required to support activities that contribute to the growth and sustainability of the charity, and to the sharing and development of our organisational knowledge.
